

# human rights & environmental awareness

Co-funded by  
the European Union

## Human rights...

...are rights inherent to all human beings, regardless of race, sex, nationality, ethnicity, language, religion, or any other status.

All human beings are born free and equal in dignity and rights

Right to life and liberty  
Freedom from slavery and torture  
Freedom of opinion and expression  
Right to work and education

Group 3

## awareness

Environmental awareness is critical because it can help us to become aware of the impacts on the Earth created by human activities, leading to global warming. It can also help us to create a more sustainable world by promoting renewable resources, such as solar, wind and water.

Environmental awareness aims to develop knowledge, attitudes, and skills necessary to protect the natural balance in the environment, ultimately leading to the preservation of the human race

Plants

to have inherent rights and legally should have the same protection as people and corporations; that ecosystems and species have legal rights to exist, thrive and regenerate
