# CULTURAL DIFFERENCES

3  
DERS  
KURS

# *Traditional Foods*

**In Turkiye, the foods are generally more spicy than Ltvia and Italy traditional foods. In Italy, foods mosly contain a lot of vegetables.**

# *Educational System*

## **Italy**

**In Italy, on the third and fifth years of high school you have german exams. If you pass these exams you can have the opportunity to go to university while working in germany.**

# Latvia

**In Latvia, you study until 9th grade, then you can choose going college or high school. At the high school you might choose the program. There are 3 programs: The first one is Math course, Biology course and Languages course.**

# Turkey

**In Turkey, the government help you for your education life and u must study 12th grade, after 12 years, you enter an exam which is include high school topics (9-10-11-12). This exam determines our University life so, the general angle says this exam is very important for Turkish youths.**

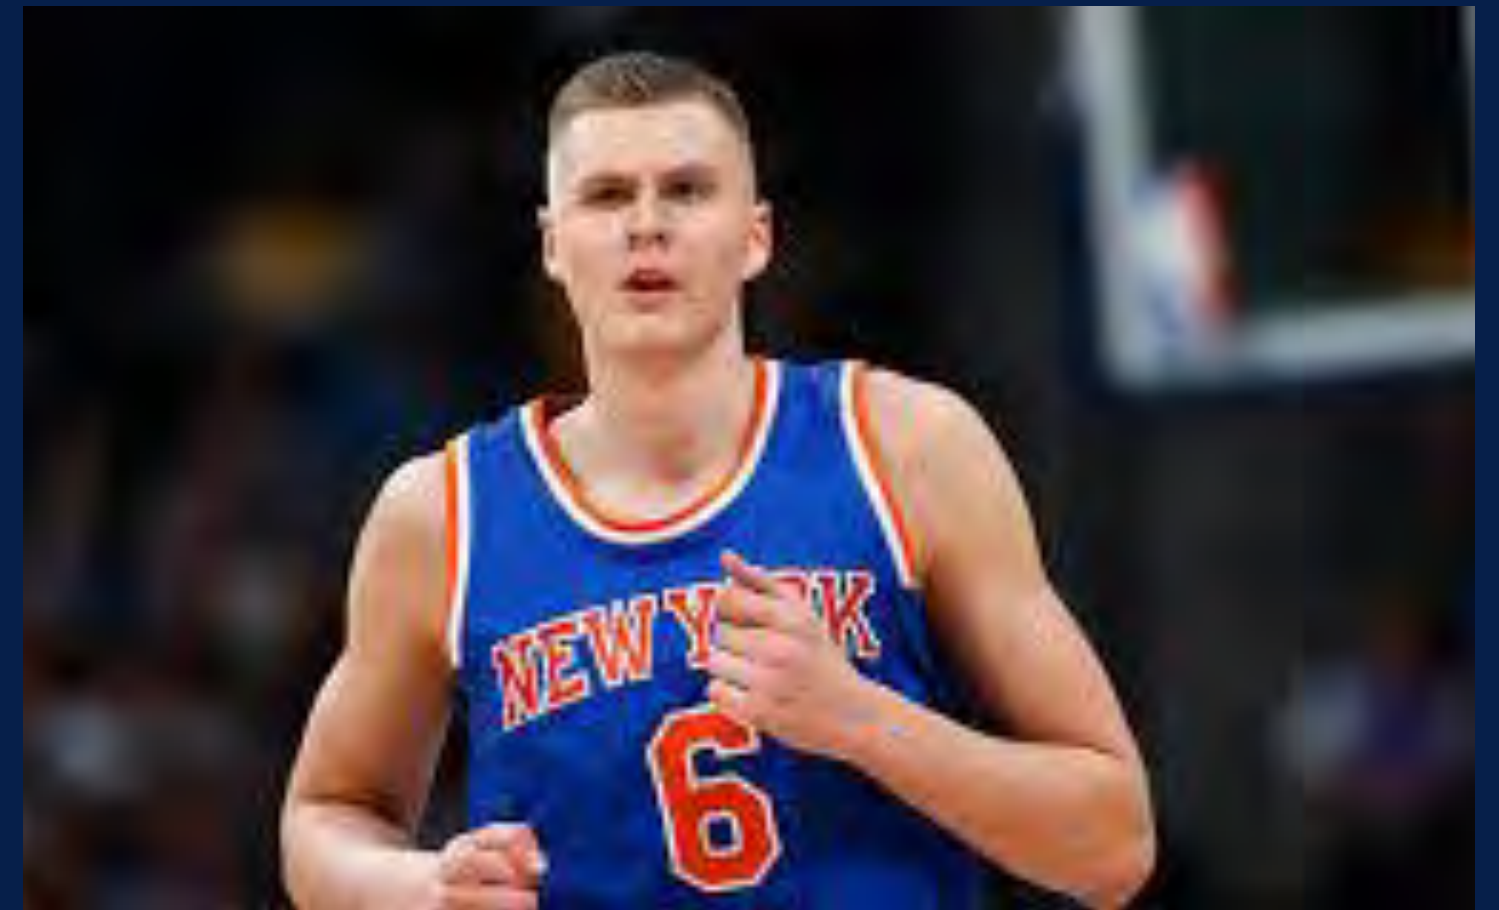

# Sports

**Italy**  
Specially women volleyball is  
very popular in Italy and  
soccer is popular one too.  
Italian love their national  
football team and the always  
support at tournaments.

# Latvia

In our country popular sports are Hockey and Basketball. Especially in hockey we have a strong team, which took 3rd place at the World Hockey Championships. Also we have Kristaps Porzingis. He is a profesional basketball player who plays in the NBA.

# Turkey

In our country 3 most popular sport. The first one is football, Turkish people really love football and live football. The second one is generally basketball, our nationally basketball team really have great success, from Hedo to Şengün. The last one is volleyball. “Sultans of Nets” is national volleyball women team.
