

Inclusive education

DDa secondary school

Co-funded by
the European Union

It is when children with disabilities need a quality education to develop their skills and realise their full potential.

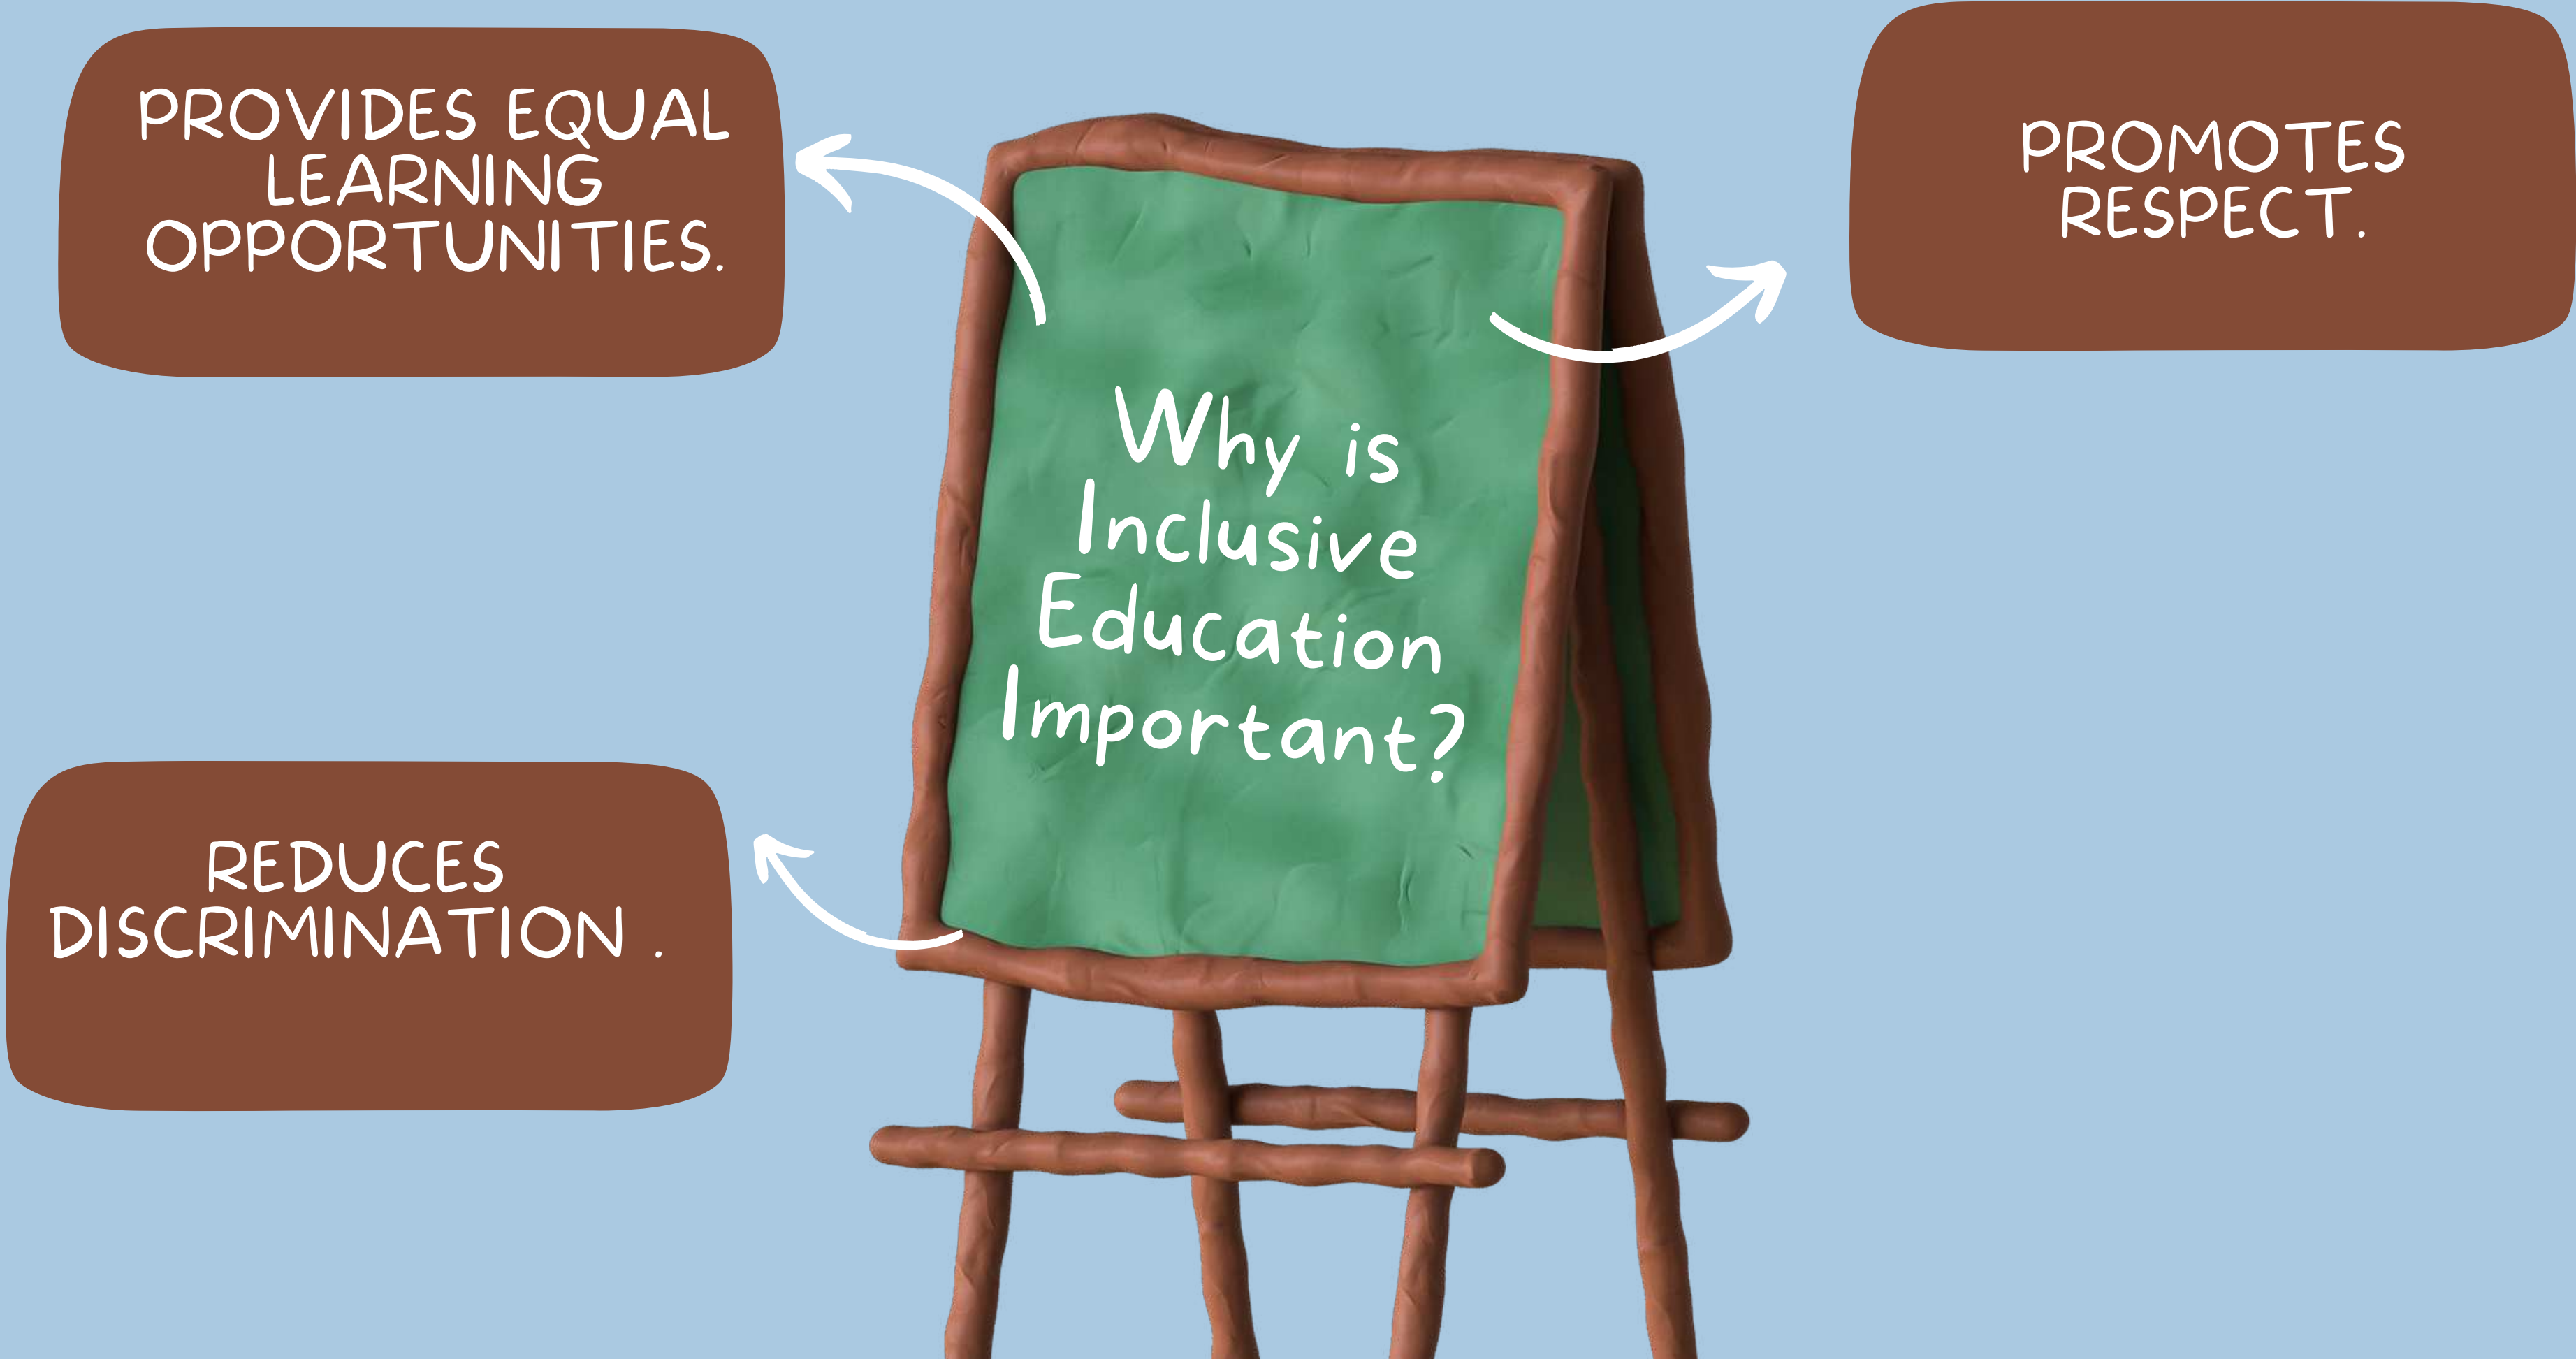

PROVIDES EQUAL
LEARNING
OPPORTUNITIES.

PROMOTES
RESPECT.

REDUCES
DISCRIMINATION .

Why is
Inclusive
Education
Important?

Key Principles of Inclusive Education

- 1 All students, no matter their abilities, learn together.
- 2 Every student gets the help they need to succeed.
- 3 All students take part in activities and lessons.
- 4 Teachers and schools provide extra help when needed.

Benefits of Inclusive Education

FOR STUDENTS WITH DISABILITIES

Builds
confidence,
enhances skills.

FOR OTHER STUDENTS

Encourages
empathy,
teamwork.

FOR TEACHERS

Improves
teaching
methods, creates
a dynamic
classroom.

Workshop

CHILDREN'S RIGHTS AT SCHOOL

Basic children's rights at school

1. Go to the toilet when needed.
2. Have drinking water available.
3. Move the body when needed.
4. Learn to take care of personal needs.
5. Learn and process emotions through play.
6. Learn through exploration, trial, and error.
7. To be active and participate in school life.

STUDENT GOVERNMENT

Student council is like the parliament where students make different decisions and organize school events.

Each pupil in our school have rights to be a member of student government.

Our school "parliament" even has its own president and ministers, who are elected.
