# TEACHERS' DAY

Teacher's Day was celebrated at the school on October 6.

The classroom doors were decorated with bright autumn wreaths.

Students of grades 9-12 were given the opportunity to assume the role of teachers.

On this day, they conducted lessons and enjoyed the complexity and beauty of this profession.

# “THANK YOU” DAY

"Thanks is the only currency in the world that hasn't changed course yet.«

(J. Jaunsudrabinš)

On January 11, the world celebrates the International Thank You Day. For the second year, this topic is brought up in our school as well.

At the school, posters were posted at the classroom doors so that everyone could tear off a thank-you note for all people around.

# CHRISTMAS TREE

To celebrate Christmas, the school created an atmosphere full of light and joy. On 21 December, the Pupil Council organised and hosted a Christmas tree party for Year 1 pupils. Pupils danced, sang and played games with Santa Claus and fairy tale characters.

# APU DECADE ACTIVITIES

On 14 February, Daugavpils Friendly Appeal Secondary School celebrated Valentine's Day - the day of love and friendship. Everyone was invited to wear red clothes to school on this day, as red is the colour of love and activity. Many students and teachers responded to this invitation.

# GAME "HELLO, LATVIA!"

In the past school year the civic participation of students is implemented in the school project "Mana dažāda – vienīga Latvija", within the framework of which various events and activities are organized.

The students (coped with) important tasks events in Latvia, remembered cities, lakes, rivers and nature, the coded names of the parks, recognized from the photography.

# **GALA CONCERT**

## **"MY DIVERSE - THE ONLY LATVIA"**

November is the month of Latvia when we feel more uplifted, we think about the values of life that our ancestors kept. Our treasure is songs filled with love for our Motherland. To celebrate Latvia's national holiday, on November 16, the family of Daugavpils Friendly Invitation Secondary School gathered for the festive concert "My diversity - the only Latvia" in the Daugavpils Palace of Culture.

The dancers showed the festive mood with Latvian folk dances. Each of the spectators was also a singer at the same time. For the first time, such a large group sang together (it is a tradition of our school holidays). Each class prepared a song dedicated to Latvia, and everyone could sing it together.
