Workshop: "Voices for Inclusion & Democracy"

Role-Playing Scenarios

1. A New Classmate with a Disability

A student in a wheelchair joins the class. Some places in the school are hard to access, and classmates don't know how to help.

Task: Show how students and teachers can make the school more comfortable and welcoming for everyone.

2. A Student Who Doesn't Speak the Language

A new student comes from another country and can't communicate with classmates. He/She feels lonely.

Task: Act out ways to help the student feel included and learn the language in a friendly way.

3. Student Council Elections

A shy student wants to run for student council, but others think only popular students can win.

Task: Show how to make elections fair so everyone has a chance to participate.
